
Terms of Use

ALS Northwest maintains a website and applications describing the organization, its service and activities and general information. This website is provided at no charge on the express condition that users agree to be bound by these terms and conditions. Please read this notice carefully.

The words "**you**," "**your**" and "**user**" as used herein refer to all individuals and/or entities accessing or using The ALS Northwest website and applications, whether as a guest or a registered user. By using the Online Platforms or by clicking to accept or agree to the terms of use when this option is made available to you, you accept, without limitation or qualification, and agree to be bound by these terms. If you do not agree with this legal notice or any posted guidelines or rules, do not use ALS Northwest's website or applications.

Changes to the Terms of Use. We reserve the right to change this TOU by posting new terms on the Online Platforms, accessible on this webpage. All such changes will be effective immediately upon posting. Your use of the Online Platforms will constitute your binding acceptance of these TOU, as amended from time to time.

Medical Information. ALS Northwest is proud to be a source of information about ALS. The website provides educational and general information on the express condition that you agree to be bound by these TOU. Although our comments are based on professional advice, published experience and expert opinion, such information does not represent therapeutic recommendation or prescription and is not meant to be a substitute for advice provided by a doctor or other qualified health care professional. The information on the website and applications is for informational purposes only and is not intended as a substitute for medical professional help, advice, diagnosis or treatment. Always seek the advice of your physician or other qualified health care provider with any questions you have regarding your medical care. Nothing on the website is intended as a recommendation or endorsement of any specific tests, products, procedures, companies, opinions, or other information that may be mentioned the website. Any reliance on any information provided by ALS Northwest personnel, others appearing on the Website or other applications at the invitation of ALS Northwest, and/or other visitors to the website is solely at your own risk. Information on the website is not intended to create any provider-patient relationship. **You should not use the information contained herein for diagnosing a health problem or disease. You should always consult with a doctor or other health care professional for medical advice or information about diagnosis and treatment. You understand the ALS Northwest website and applications are not constantly monitored and if you are in need of immediate medical attention you should call 9-1-1 without delay.**

Not-for-Profit Status. ALS Northwest is a Not-for-Profit organization.

Third-Party Websites. The Online Platforms may contain links to websites and applications that are unrelated to us and are owned and operated by third parties (the “third-party sites”). ALS Northwest does not make any representations or warranties about any third-party sites you may access through the website. These links are provided solely as a convenience to you and do not constitute an endorsement or affiliation by ALS Northwest nor is ALS Northwest responsible for the contents of, or any products or services offered on, any third-party sites. You need to make your own independent decisions regarding your use of any third-party website, and you will be bound by those third-party policies.

Accessing the ALS Northwest Website. ALS Northwest reserves the right to withdraw or amend the Online Platforms without notice. We will not be liable if for any reason all or any part of the Online Platforms are unavailable at any time or for any period. From time to time, we may restrict access to some parts of the Website, or all of the Website.
